be oppressive to the individual, it will entre to the disarvantage of the corporation by compelling bidders to make provision in their estimates for the cost and frouble attending such a proceeding, and the expense to the bidder can be no inconsiderable sum inas much as it frequently occurs that obscure men, with limited influence, are obliged to procure the aid of "counse" to get measures "through," even where the merits of the measures benneives are entirely sufficient and beyond any doubt. These expenses will, of course, be added to the cost of the work to the Corporation, and thus materially increase the expense of the city gevernment, already too coerius. For this reason it impossible for me to approve of the amendment proposed. I am aware that an improvement can be made upon the present mode of giving out contracts, but so not think that this will be an improvement. I fear that it will subject us to still further evils, and add to the already existing difficulties surrounding the whole matter of giving contracts to the lowest boas dide hidders.

Very respectfully. FERNANDO WOOD, Mayor.

Besider the above, there was also read from the Mayor a message refusing to concur in the resolution directing the Commissioner of streets and Lamps to with fraw the advertisements inviting proposals for cleaning the stread until the further action of the Common Council.

The Mayor's objection to this was that the advertisements had already been made, the bids had been handed in to the Commissioner, and were being considered. The resolution, therefore, came too late.

A resolution was them adopted calling upon the Committee of Lands and Places to report by what right large warebouses were built upon the bulkheads between Liberty street and the Battery.

The Board then adjourned.

Just 15—A meeting of this Board was held last night in the City Hall the President, D. D. Conover, in the chair. The minutes of the last meeting were read and approved.

Petitions were first in order, but all that were presented were in reference to street improvements, excepting one from the citizens of the Sixth ward, against the employment of machines in the cleaning of the streets. This last petition was referred to its appropriate committee.

pley seent of machines in the cleaning of the streets. This last petition was referred to its appropriate committee.

Resolutions were next in order, but some of importance were presented. The resolution offered on Monday right, calling upon the Computoire to resport the amount of money paid to certain clerks in the Major's office, was adopted.

The next business was a motion to concur with the Board of Aldermen in their report in favor of erecting a monument on Broadway, corner Twenty-fifth street, to the memory of General Worth. The report of the committee of the Councilmen upon the subject accepted the cestigns and plans of the Board of Aldermen as adopted by that Board a year ago and problemed at the time. A long debate took place upon this motion to concur, in which Mather, Clancy, McCabill and Haswell took part.

The motion to concur was finally carried by a large majority—36 voting in the affirmative and 2 in the negative.

The semi annual report of Mr. Alfred E. Baker, the Fire Marshal was then presented and ordered on distinct the state of the Council of the Council of the Chinese was a sandy and a select the following—

PATERSON VS. MARLEM CLUSS.

The first game between these two clubs was played at Paterson N J., on she'r ground near the Falls, on Monday, July 16. It was arranged to be a one cay's play: five runs - a pretty close game, and well contested con Glob at Mr. Brady's, the Cottage on the Cliff and right well did mine host entertain them. Mr. Guyp stood umpire, and Mr. Shaw scored for the Paterson Guy; and Mr Brown umpire, and Mr Brown the Sexual scored for Harlem. Paterson having won the toes, sent Harlem in, and they opened the ball with White and Bates to the bowling of Hallans and Philington. White was unlivery to both innings. Bates, though run out in the first, made twelve in the second. Young Wright played well, but Wilhy, who followed, was the card of the day; his batting was beautiful; he was all over the field, and made eighty-four in the two lonings. Street, though he batting was beautiful; he was all over the field, and made eightly-four in the two innings. Syran, though he got his leg before wicket, managed to rou up ten runs. Sum Wright did not do much with the bat; he get caught out both innings by the bowler. Tickner, an old favorite

out both innings by the bowler. Techner, an old favorite trickster, ought to have done better. Goodwin, the President of the Club, burt his leg in some way; but for all that managed to score eleven in the two innings; while bis son, who played uncommonly well made fourtern. The bowling of Hailans was very good; the deling of Paterson capable of more improvement. In the Paterson side Pearson and Smith commenced to the bowling of Welley and Sam Wright. These two men did not for much. Hailans went out with a result of the trick of the third was the next; but the pairson boys and Hischilds was the next; but the score wild up made from the bad fielding of the Harless, twenty by sea and wides having been given them. Ham Wright bowled a good many wides; we have seen him delected though the score stody as follows:
